Varsity 1971-72: Orange League runner-up

All league safety Ramon Reyes runs back interception in 33-7 victory over Saddleback.

The tiger has returned. Football at Valencia High School, is here to stay. This year's team is to be congratulated for its fine season and the student body deserves praise for its support which is so important. This year can be considered a breakthrough year. And next year, with the help and support of the students, can be even better.

Valencia ended the season with a fine 6-3 record, and a runnerup spot in the Orange League standings with a 5-1 league record. Each win was gratifying, but none more so than the 7-0 victory over the El Dorado Hawks. Also included were a 21-0 shutout over traditional rival, Brea, and a 33-7 massacre over Saddleback.

Fourteen Valencia players were named in some respect to the all Orange League Team, and two others were selected to the All-County Team. A crushing defense, which gave up but one touchdown on the ground during League play; and a dazzling offense, which averaged 23 points per game were the winning combination.

Every facet of the Tigers game was good, including the punting, handed by Dave Lindsey, who came up with more than one clutch kick.

The Tigers, going into their final game, still had C.I.F. hopes and they responded 42-22 romp over 3A foe, Graden Grove. Unfortunately the Tigers were not awarded a playoff spot. Nonetheless, it was a season which will be remembered for a long time to come.

This year's cross country team, led by Mike Boaz, fought to a 3-3 record. Highlights of the season were victories over University, Brea and Saddleback.

In the Brea meet, Mike Boaz came close to the school record of 9:36, but a slow first lap left him a few seconds short. The Harriers still had a shot at CIF but the lack of experience cost them the title. The Thinclads were basically a young team and this season was one of maturing for them.

Not only Boaz, but Tony Morocco and Alex Lopez also exhibited leadership qualities and the success the team gained was due in part to their leadership. The team being young, improved and the future looks bright.

fish: league co-champions

Led by first year head coach Chris Sawyer, this year's varsity fought its way to a third consecutive Orange League title, and the eighth aquatics championship in 3 years. Co-captains Don Gresham and Steve Kniess proved to be an excellent offensive and defensive team, as not only were they the leading scorers, but Kniess played well as goalie during Jerry Folwells absence from the goal. Seniors Chris Kallas, also a high scorer, Joel Patterson, a tough defensive guard and Folwell, the tigers All-tournament goalie, led the victorious team, with Bob Binswanger, Joe Olivier and Tom Olivier sharing the final two starting position. Juniors Marc Fridlund and Steve Pickrell rounded out the varsity squad. The smallest squad in years, both in size and number, showed to be tougher than many teams as its record of 12-6 shows.

Once again, the Tiger cagers find themselves fighting for a shot at C. I. F. competition. Season highlights have included two wins over Sonora, and a runner-up trophy in our own Valencia Lettermen Tournament. It was the first game, and, but for a couple baskets we almost won.

Led by Senior Craig Caldwell, who averaged 15 1/2 points, and Junior Tom Ricks, who averaged eleven, the Tigers are in the thick of the Orange League race and can look forward to another C. I. F. berth.

Typically the team lacked size, the tallest man being 6'3", Richard Hightower. What it lacked in size it made up for in desire and quickness, hustle and determination.

Eyeing another Orange League Crown, the spikesters are gearing themselves toward League finals. Injuries have slowed the teams top sprinters, Mark Zielinski and Dave Fujinami, but they have continued to make a solid contribution.

Jim Collins and John D. Rogers are a fine one-two punch in the pole vault. The top men in the discus are Alex Covarrubias, Pat O'Shaughnessy and Tom Rankin. Mike Boaz is close to records in both the mile and two mile; Tony Morrocco is a top-flight 880 man. Surprising performances were turned in by Bob Tillman and Steve Boaz. Tillman ran close to 10 minutes flat an excellent time for a sophomore and Steve Boaz has run 10:30 in the two mile, an almost unheard of achievement. All in all the team is young and Valencia can look forward to great performances for years to come.
